

## The Aubrey Pappas Memorial Scholarship

Funded and Presented by The Aubrey Foundation

The Aubrey Pappas Memorial Scholarship is being awarded to North Brunswick Township High School graduating Seniors (Class of 2018) who exemplify the traits of Mrs. Pappas and plan to attend an accredited college or university, trade school, or are pursuing a career in the military or public service.

Mrs. Pappas was a beloved language arts teacher at Linwood Middle School before her life was tragically cut short in October 2014. Over the course of her 13 years teaching, she taught her students to dream big and to work hard to achieve those dreams. She demanded academic excellence, and built a strong sense of community through respect for oneself and for others. She, as an individual, stemmed from various cultural backgrounds and embraced all ethnicities and diversity. Her personal mission consisted of helping others, regardless of their race or status, in an effort to better the community as a whole.

Each scholarship will be awarded to a deserving graduation who exemplifies the traits that Mrs. Pappas instilled in each of her students: strong academic and family values, perseverance through challenges, acceptance of others' uniqueness, and a great sense of ambition. Aubrey worked incredibly hard to inspire her students, and we want to know what has inspired you and how you plan to help and inspire others. To qualify for this scholarship, students should have a 3.0 GPA or higher; special considerations may be granted on a case by case basis. Essays should provide examples of how one exemplifies traits that Mrs. Pappas had and taught (as highlighted above), and how those trait will benefit one, one's peers and one's community in the years to come.

All essays should be between 500-800 words.
